F.A.Q.

Q: What will the layout be?

A: For cocktails and canapés we typically remove all of our tables except the two largest in order to maximise your floor space.

Q: Can I bring my own decorations?

A: Absolutely. We ask that guests arrive no earlier than 6pm to set these up and you will need to remove any decorations at the end of your function. We can store these overnight if you're off to party somewhere else after!

Q: When do we have the space until?

A: Our license allows us to stay open and serving alcohol till 12 midnight on weekends. Due to licensing however, our music has to be off by 11pm.

Q: Can we bring a DJ or live music?

A: This must be discussed prior to your event. We have neighbours living above our shop, so noise constraints will apply.

Q: Do you serve non-alcoholic drinks?

A: We have our regular list of non-alcoholic drinks such as coke and sparkling fruit juices but do not provide non-alcoholic cocktails.

Q: Do you have gluten-free/vegetarian options?

A: Yep, subject to prior notice and discussion.

Q: How does your bar work?

A: We serve drinks directly over the bar to customers, unless your event is table service such as a dinner.

Q: Can I put money behind the bar or have drinks on arrival?

A: Absolutely, just let us know how much you would like to put down. Prosecco or cocktails on arrival can be arranged also.

Q: How does the payment process work?

A: We ask that you pay the hire charge upon booking to secure your date. The remainder is due up to 7 days before your event.

Q: Can we bring our own snacks or drinks? What about corkage?

A: Our venue is neither B.Y.O.B. or B.Y.O.F. and we do not offer corkage. You are however welcome to bring a birthday cake.

WHAT PEOPLE ARE SAYING

"A massive thank you to all for a wonderful evening. We had a fantastic time and all thought the food was delicious. The atmosphere was great and thanks for keeping the tunes playing and the rum flowing!"
Angelique Fronicke - 40th Birthday - Buffet & Cocktails

"Everyone at Groundworks went above and beyond to make my 21st an excellent night, the canapés and mixologist were very popular. I would recommend them to anyone!"
Rosie Cowling - 21st Party - Canapés & Cocktails

"We had both a pre-wedding party and a retirement party at The Groundworks this year, both of which were great fun. We had excellent food and a super evening in a convivial setting. Thoroughly recommend Tom and Ben to host your event as they are flexible and work hard to make the events flow smoothly."
Kim Hodgkins - Pre-wedding party & retirement party - Dinner, Canapés & Cocktails
